ADI is a single-source provider of manufacturing services for the high-tech electronics industry, and distributor of electronic and electromechanical components and assemblies. ADI's global network of suppliers and military-approved assembly facility (bonded warehouse – CAGE code OBR80) have earned it "preferred supplier" status among leading OEMs in the aerospace sector.

VALUE-ADDED SERVICES

Distribution

- 100% traceability
- Tape and reeling
- Hot solder dip and pre-tinning
- Just in time logistics
- EDI: Smart link in the supply chain
- Same day ship on in-stock items
- Bar-coding: Just in time
- In-plant warehousing – consignment stock
- Auto-replenishment services
- DLF
- KAN-BAN

Manufacturing and Assembly

- Electronic manufacturing services
- CCA assembly and test
- Box build
- Mechanical assembly
- Cable harness assembly
